**Weaves:** Sambesi PC, Sambesi

**Attachment:** Flats with Clevis

**Architect:** Baurconsult Architects

**Application:** Facades, Solar Control

**Location:** Schweinfurt, Germany

**Market Segment:** Municipal

In the process of remodeling an old production hall, the architects at Baurconsult chose to clad the entire complex in Sambesi metallic mesh from GKD. The semi-transparent facade underlines the character of the exhibition serving as both cladding and stable perimeter fencing for the premises.
